Dear Mr. Chairman: *Dan*

Thank you for your letter, dated April 22, 2008, in which you solicit comments from the U.S. Office of Personnel Management (OPM) regarding universal postal service and the postal monopoly.

We have canvassed the various organizations within OPM, and I am pleased to relay to you an overall satisfaction with the excellent service we receive from the U.S. Postal Service. Our only comment is we prefer a continuation of present mail delivery options, with no reduction or elimination of services currently provided.

If you require additional information, please contact Rosalind Wright on 202-606-3072 or via email at Rosalind.Wright@opm.gov. Thank you for the opportunity to provide comments.

Sincerely,

Linda M. Springer
Director
